OFFICE OF LEGISLATIVE COUNSEL

Monday - 5 June 1972

1. (Confidential - JMM) John Goldsmith, Senate Armed Services Committee staff, called to say that he understood the Director was going to call Chairman Stennis regarding a date for General Vang Pao to meet with Stennis and members of the Committee. I said this was contrary to my understanding and I would check with Ed Braswell, of the Committee staff, with whom I had discussed the matter.

Talked with Ed Braswell regarding Vang Pao's visit with the Committee. Braswell said he would try to set it up for sometime Thursday afternoon, 8 June 1972, probably after 4:00 p.m.

2. (Unclassified - JMM) In the absence of Representative Charles Rangel, I talked to Patricia Bradley, his secretary, to say I was trying to make a date for [redacted] and me to come over and brief Mr. Rangel in response to his queries about certain reports concerning illicit narcotics traffic abroad. Miss Bradley said the Congressman was out of town and not expected back until Thursday but she would be in touch with him and try to set a date for an early meeting.

4. (Internal Use Only - LLM) Called Tom Moyer, in the General Counsel's office, Civil Service Commission, to learn what progress he had made with the Senate and House Post Office and Civil Service Committees for exempting the Agency and others from the Federal Executive Service legislation, H. R. 3807 (see Journal of 17 May 1972). Moyer said they were currently meeting with the staffs of the Committees to work out suitable language and would let us know as soon as something definitive has been worked out. He does not think any prospects for the legislation are bright, however.
